

Stay healthy throughout the year with Teladoc.

## Use your PTO wisely and Teladoc your medical concerns!

Appointments. Presentations. Project Deadlines. Who has time to take sick days in today's workplace? And more importantly, who wants to waste their personal time for an illness?

Imagine this...

- It's another Tuesday morning at work. You've got an important meeting in the afternoon with the Senior Management Team. All of a sudden your throat becomes itchy and your head begins to ache. You can't leave work for an urgent care visit, but you need to feel better now. **What can you do?**

### Give Teladoc a call!

Talk to a qualified doctor without leaving your desk. Teladoc's U.S. board-certified doctors can diagnose and treat many of your medical conditions from wherever you happen to be. Talk to a doctor from work in as little as 30 minutes and then pick up your prescription on the way to lunch.

So the next time the office cold crosses your desk,
