

Stay healthy throughout the year with Teladoc.

## Being a parent is a 24/7 job.

Any parent knows that their children don't get sick on a schedule. That's why Teladoc's pediatric network provides 24/7/365 on-demand access to U.S. board-certified pediatricians. If your child wakes up in the middle of the night with a fever and needs care now, **request a Teladoc consultation!**

Visit **Teladoc.com**

Call **1-800-Teladoc** (835-2362)

Consultations only:

Teladoc is happy to provide information about your consultation to your primary care physician.

## Why should pediatric care be any different?

### QUALITY CARE

Teladoc's pediatric network consists of practicing pediatricians, primary care and urgent care physicians. Teladoc maintains a gold standard of service through quality assurance programs for all consultations, regardless of age.

### WHEN CAN I USE TELADOC?

Teladoc is ideal for new and seasoned parents when it comes to general health questions and recommendations for their children. Our pediatricians can treat many of your child's medical conditions, including:

- Respiratory infection
- Allergies
- Pink eye
- Ear infection
- Poison Ivy
- Cold & flu symptoms

### TELADOC YOUR STORY

"One night my son had an upset stomach. I considered taking him to the emergency room, but called Teladoc instead. The doctor suggested an over the counter medication and plenty of fluids. I'm thankful that I avoided the time and expense of going to the ER."

- Mary
