

Stay healthy throughout the year with Teladoc.

Because your doctor doesn't fit in a carry on

5D: Traveling to meet the top account but his last meal left a sharp pain in his stomach

19B: Hoping 19A's cold doesn't ruin her vacation

24F: Allergies flared up while waiting to take off

These scenarios are all too familiar, especially when traveling for work. Allow Teladoc to help you combat illnesses that prevent you from performing at your best. Teladoc's U.S. board-certified doctors are available 24/7/365, anywhere you happen to be.

Teladoc doctors can treat

many of your medical conditions:

- Cold & flu symptoms
- Sinus problems
- Respiratory infection
- Allergies
- Bronchitis
