

 Stay healthy throughout the year with Teladoc.

Life in the country is great Unless you need a doctor

The great outdoors.

No people. No traffic. No access to quality healthcare.
When you need care now, **what are your options?**

-  Deal with the discomfort and hope it's nothing serious.
-  Drive an hour to the nearest urgent care clinic.
-  Pay high medical fees to wait at the local ER.
-  **Call Teladoc!**

DID YOU KNOW...

You have 24/7 on-demand access to a U.S. board-certified doctor!

Your access to Teladoc allows you to speak to a doctor without needing to leave your home. Teladoc is a national network of U.S. board-certified doctors who can resolve many of your medical conditions through the convenience of phone or online video consultations. On average, our doctors will call you back in 22 minutes. And with your consent, Teladoc can provide consultation information to your primary care physician.

The care you need is only a click or call away.

 **Request a consultation today!**
