

Stay healthy throughout the year with Teladoc.

Don't let cold symptoms keep you from your vacation.

It's finally here, a well-earned vacation! The only problem is your throat is itchy, your stomach hurts and you have a fever. Who wants to trade their tropical paradise for an urgent care or ER waiting room?

Don't worry, you have access to Teladoc. Teladoc's national network of U.S. board-certified doctors is available to you 24/7/365 no matter where you happen to be. Feeling under the weather away from home? Give Teladoc a call!

WHAT CONDITIONS CAN TELADOC TREAT?

Our doctors can diagnose and treat many of your medical conditions, including:

- Respiratory infection
- Urinary tract infection
- Cold & flu symptoms
- Poison ivy
- Allergies
- Bronchitis

CAN I GET A PRESCRIPTION?

Yes! You can receive short-term prescriptions or refills on medications, when necessary. So rest easy the next time you forget to pack your medication.

Teladoc is happy to provide information about your Teladoc consultation to your primary care physician.
